Greetings Security Committee,

We have taken a hiatus for a couple months owing to people's schedules. This Thursday, please make every effort to attend so we can bring you up to date on what we are doing in both BIDs to address public safety priorities.

In particular, we will have a presentation on the current state of homelessness in LA County/City and Hollywood. We will review trends and focus on several bold funding mechanisms that have been proposed by city, county and state officials which promise to truly make a dent into the lack of permanent housing for homeless individuals, if approved by the voters. This will be an opportunity to come current on what is proposed, and advise staff on what level of involvement the BIDs should have in public education and speaking out.

Please RSVP to Lorin as to your attendance.
